CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

State Quits Cane Growing; Goes Into Sign Business

No more sugar cane will be grown at the Glades State Prison farm, according to an edict issued by the state cabinet on Tuesday of this week. The new Prison Director R. O. Culver said: "We have only furnished about 25 per cent of the sugar requirements of other institutions. We feel this farm land can be made more productive through planting vegetables than it has been being planted in sugar cane."

Culver was given authority to discontinue the Belle Glade prison farm's production of sugar after reporting the equipment was old and needed extensive repairs.

The cabinet also authorized the prison system to begin manufacture of street signs for counties and municipalities in Florida. Director Culver said that several large orders are on hand. Sign manufacturers, who pay taxes in Florida, will look with a wary eye at Director Culver who said that manufacture and sale of the signs "will not be in competition with any private industry in the state."

Junior Devils In Okeechobee Loss

The Pahokee Junior High football team was defeated by the Okeechobee JV's, 26-20, in a hard fought game at Okeechobee Tuesday night.

Pahokee's ace back, Morris Kennedy, accounted for all three of the Baby Blue Devils' touchdowns. In the first quarter Kennedy broke through tackle on an 85-yard run for a TD in the most spectacular play of the evening. In the third quarter he scored again in an off-tackle play from 15 yards out and in the fourth quarter he made an end run from about 15 yards out for the final TD of the game. Both of Pahokee's extra points were made by Douglas Blanton in plunges through the line.

Okeechobee scored 13 points in the first quarter, seven in the third and six points in the fourth. Their third quarter TD originated when the Blue Devils fumbled a punt reception on their own 20 and a Brahman player scooped up the ball to run for a TD.

The Blue Devil JV's, since winning their opener from Clewiston, have lost three successive games to Belle Glade, Clewiston and Okeechobee. They have an open date next week. On Nov. 5 they will play Belle Glade in a home game on Lair Field and will travel to Stuart Nov. 12 for the final game of the season.

UNDERGOES OPERATION

Stema Bowen, who underwent major surgery at Good Samaritan Hospital last week, had as visitors his brother and sister-in-law, Mr. and Mrs. C. W. Bowen and son, Pat, of Brunswick, Ga., another brother, P. L. Bowen of Mountain City, Ga., and an aunt, Mrs. A. C. Everett of Macon, Ga. During their stay here they also visited Stema's mother, Mrs. F. L. Bowen, and brother-in-law and sister, Mr. and Mrs. J. H. Strayer, in Canal Point.

Tilly Walker Is NALU Trustee

R. B. (Tilly) Walker, for 30 years New York Life Insurance Co. agent in Hollywood and former president of both the Miami and Florida Associations of Life Underwriters, has become the first Greater Miami insurance man to serve as a trustee of the National Association of Life Underwriters. He was one of seven trustees elected at the NALU convention in Detroit. Walker, president of the Hollywood Chamber of Commerce, also is a past president of the Southeast Florida Planning Council and has been active for many years in NALU affairs.

Two New Members Canal Point Lions

William Howland and Tom Tyson were received as new members of the Canal Point Lions Club at the Monday dinner meeting, increasing the club membership to 28. Osceola Upthegrove, deputy district governor, was in charge of the ceremony, bringing them into the club.

President, Pepper appointed Stanley to represent the club on the board of directors of Pahokee Youth Center, Inc.

Guest speaker was J. R. Nutt of Belle Glade, home visitation teacher for the Glades area. Introduced by Carl Crawford, principal of Canal Point School, the speaker told of the problems involved in adjusting the County's public school system to meet the educational needs of the children of migrant families.

Introduced as guests were the Rev. Hoke Shirley of Orlando, who is conducting a revival at the Canal Point Baptist Church; the Rev. Charles D. Stewart, pastor of the Canal Point church; Rupert Mock of Pahokee and E. F. Bracewell of Canal Point.

Rardin Renamed To National Roads, Highways Group

County Commissioner Paul Rardin has been notified of his reappointment as a member of the National Association of County Officials. This is the third year that Rardin has been named to the committee, having served as secretary of the group one year. His appointment was announced in Washington by the national president, Mark S. Johnson.

New Building To Be Occupied

The Victory Class at the Pahokee First Methodist Church School is making preparations to move into its newly completed classroom in the educational building. Named by Mrs. L. J. Fraser, class president, on a special committee to select furnishing for the classroom were Mrs. Leo Maxwell, Mrs. H. J. Anderson, Mrs. Robert C. Hatton, and Mrs. Robert J. Schroder, class teacher.

Costume Parade To Mark Pahokee's Spook Carnival

The first event at the Pahokee PTA Halloween Carnival on Lair Field Thursday night will be the costume parade by children of the elementary school, first through sixth grades. A child must be masked in order to participate in the parade and cash prizes of \$5, \$2 and \$1 will be awarded to first, second and third place winners judged to be wearing costumes most typical of Halloween.

Following the parade the various booths and concessions sponsored by civic and student groups will be open for an evening of entertainment and fun. There will be entertainment galore for adults as well as children of all ages, according to Phelix Slonaker, general chairman.

This annual carnival is the only major fund-raising project sponsored by the Pahokee Parent-Teacher Association during the school year and the public is urged to attend.

Okeechobee Next On Blue Devil List

The Pahokee Blue Devils, tied with the Vero Beach Indians for second place position in the Suncoast Conference race at the half-way mark of the season, will travel to Okeechobee this evening for their traditional non-conference contest with the Brahmins. Both teams have been improving as the season advances and Coach Web Peil expects his Blue Devils to encounter some tough opposition when they lineup against the Brahmins tonight.

The Blue Devils played a fine defensive game and outsmarted the Lake Worth Trojans in defeating the Trojans, 2-0, with a safety at Lake Worth Friday night. An outstanding feature of the contest was the excellent punting of Quarterback Richard Shackford which kept the Blue Devils out of danger and set the stage for the game, the only scoring in the game.

Glades Armory To Be Dedicated At 2:30 P. M. Sunday

The new quarter million dollar Glades Armory will be dedicated Sunday afternoon at 2:30 p. m. when General Mark W. Lance of St. Augustine, adjutant of the Florida National Guard, makes the feature address. County Commissioner Paul Rardin will be master of ceremonies and introduce the General after giving the address of welcome. Other distinguished guests will be introduced by Commissioner Rardin.

The 51st Infantry will give an hour long concert with CWO Murray Austin conducting. From 4:30 until 7 p. m. open house will be held and folks are cordially invited to inspect the handsome new building.

Tripp Alderman FFA Secretary

Tripp Alderman has been elected new secretary of the Pahokee Chapter, Future Farmers of America. The chapter is making plans to obtain a barn for its 40-acre ranch in the Pelican Bay bottom; also to purchase a disk harrow with attachable wheels.

At a recent meeting six Green Hands were initiated as new members of the chapter. The group included Harold Yoemans, C. H. Woods, Jerome Noles, Martin Richards, Edward Thomas and Robert Joiner.

Brooks Henderson, principal of Pahokee Schools, is scheduled to be guest speaker at the Nov. 5th meeting of the chapter.

Rent Land 40 yrs.. Now They Bought It

Back in 1917—just 40 years ago—W. H. (Rube) Vann started farming a piece of land in Section 17 that belonged to the Okeelanta Plantation Co. This week a deal was consummated whereby the 305 acres became the property of W. H. Vann, Inc., of Pahokee, with the Okeelanta Plantation Company the sellers. The price paid was \$749 per acre for a total of \$228,550.00.

The land is located just south of Lajrmore Road and east of State Market road and has been farmed by H. J. Anderson and the Vann company for many years. Purchasers of the land own and operate the W. H. Vann, Inc., packing house in Pahokee. They also own and farm Section 5 at Cardwell.

W. H. Vann, founder of the concern, operated the packing house for many years and was the broker who shipped the first carload of vegetables under ice from the lake region in 1925.

Owning and operating the concern today are: Mrs. Alma (Bit) Farrow, president; L. J. (Lulke) Fraser, vice president and general manager; Mrs. Christine Fraser, secretary and office manager.

St. Lucie Locks Are Closed From Lake

Regulatory discharge from Lake Okeechobee by way of St. Lucie Canal was stopped today (Oct. 21) as Army Engineers closed spillway gates at St. Lucie Lock and Dam near Stuart. This is the first time since mid-August that there has been no release down St. Lucie Canal.

Colonel Paul D. Troxler, Jacksonville District Engineer, stated today that cutting off the flow was made possible by the return of normal rainfall and the fact that the annual hurricane season is nearing its close. The big lake is now 14.8 feet above mean sea level. This is considered a reasonable level for this time of the year without endangering the restraining levees at the lake shores and the lives and property which they protect.

Army Engineers also reviewed lake regulation operations since last May, when after months of drought, heavy rainfall began and

20 Prizes Offered Locally For Five Halloween Types

The first activity at the Halloween party for the children of Canal Point to be held at the school Thursday night under the sponsorship of the Canal Point Parent-Teacher Association will be the opening of the PTA food booth and drink stand at 6 p. m.

The costume parade will take place in school auditorium, starting at 7 p. m., with Paul Rardin again to serve as master of ceremonies. A total of 20 costume prizes will be awarded. The children will be in five groups: Preschool, first and second grades, third and fourth, fifth and sixth, and seventh and eighth grades. In each group prizes will be awarded to the children wearing costumes judged to be the most original, the most comical, the most typical of Halloween and the prettiest.

Following the parade there will be party with free refreshments for the children of each school room and preschool children. W. E. Johnson is general chairman in charge of arrangements.

Vandegrift, Jr., Is Renamed CC Head

Roy Vandegrift, Jr., was re-elected president of the Pahokee Chamber of Commerce at the annual dinner meeting of the chamber's board of directors held Tuesday night in the Woman's Club building.

Other officers elected were Chester A. Batchelor, vice president; Mrs. Helen Hillier, treasurer, and Dr. Richard C. Lane, secretary. New directors assuming their duties of office for the first time at this meeting were Jess M. Elliott, Earl Schmidt, W. K. Aldridge, L. J. Fraser and Mrs. Helen Hillier.

Awards to the first and second place winners of the Black Bass Fishing Contest, sponsored by the chamber during the past summer, were made at the meeting with Paul Dinnis, contest chairman, making the presentations on behalf of the chamber.

LaMont Albertson of West Palm Beach as first place winner received a check for \$100 from the Bank of Pahokee, a silver trophy from Parrish Jewelry, a wrist watch from Miller's Jewelry and several other prizes. Horace Harris of Belle Glade as second prize winner was presented with a check for \$25 from Grassy Waters Motel, a \$10 trade certificate from Kahn's, a portable ice chest and a life preserver cushion from Billy's Boats and Motors, and a case of outboard motor oil from Paul's Service.

Dinner guests included the wives or husbands of the directors, also Mr. and Mrs. Dinnis, Mr. and Mrs. Albertson, Mr. and Mrs. Harris and Miss Lucille Williams.

Mrs. A. Scott Patterson of Norcross, Georgia and Mrs. J. E. Carter of Jacksonville returned to their homes Thursday after a week spent with their brother, Mr. and Mrs. M. D. Geiger.

Much Land Will Be Open For Hunting

WEST PALM BEACH — This season the Game and Fresh Water Fish Commission will have open to hunting nearly 3½ million acres of land within Wildlife Management Areas. Of this total, 1 1-3 million acres lie within the 17 county area of the Central and Southern Florida Flood Control District.

In addition to a regular hunting license, a public hunt area permit is required for those desiring to hunt on most management areas, according to the Game and Fresh Water Fish Commission.

The \$5.00 public hunt permit, available from the offices of the County Judges, is not required in the Everglades Management Area in the Flood Control District.

Five of the wildlife management areas within the Flood Control District are in private ownership; these are Tomokka, Farmton, in Volusia County, Holopaw in Osceola County, Okeechobee in the county of the same name, and Fishating Creek in Glades County. The Avon Park Wildlife Management Area is U. S. Air Force property, the J. W. Corbett area in Palm Beach County is owned by the Game and Fresh Water Fish Commission, and the Everglades Management Area is on land controlled by the Flood Control District.

Fishing and hunting accommodations in all Florida are listed in the Game and Fresh Water Fish Commission booklet entitled "Florida's Fishing and Hunting Accommodations". The brochure lists 240 fishing and hunting camps located in the 17 counties comprising Flood Control District. The booklet contains the operator, location, number of boats, and available living units in the various camps and, in addition, lists the Florida licensed hunting guides for 1956-1957. Camping is allowed on many of the management areas.

SISTER PASSES AWAY

Mr. and Mrs. J. E. Williams and Velma were called to White Springs, Fla., Tuesday on account of the sudden death of Mr. Williams' sister, Mrs. Clyde Wiggins. Funeral was held Wednesday at 3 p. m. at the Methodist Church in White Springs.

Cinematic Chatter

By Malcolm Millar

Hello everybody! The gift of looking younger than her age is probably the secret desire of all the rest of her sex, but to Mona Freeman this heaven-sent blessing has been a handicap. Only recently has this fine young actress been able to disassociate herself from the teenage roles that have dogged her career and emerge as a mature, solid performer. A Powers model at fourteen, the lovely blonde from Baltimore caught Hollywood's attention when her photograph adorned a Life Magazine cover. She was speedily signed to a contract by Howard Hughes, then sat out the next two years in impatient idleness. Her first role was a bit in "Together A Gain," with Irene Dunne and Charles Boyer, on a loanout to another studio. After other similarly unimpressive parts, she suddenly clicked as the bratish kid sister who instigated the Joan Caulfield-William Holden romance in "Dear Ruth." She was so good as an A. dolescent, Hollywood didn't want her to grow up. Even after she traded pigtails for marriage and motherhood, in private life she was still bogged down in a screen rut of teen-agers. In rebellion, she secured her release from her Paramount contract and—as she puts it—"Started to grow up." No stranger to television, she has played over a dozen dramatic roles in as many top shows. See you at the movies—Mal.

From where I'm sittin'... by Joe Marsh

Even Stephen

Sometimes things sound reasonable 'til you think them over a bit. It's what we used to call "smooth talkin'" and sometimes a person can get caught. I remember an old vaudeville skit where one feller asked his friend for ten dollars. "I'd like to lend you ten but I've only got five." "Well," said the first fellow, "you give me the five and you can owe me the other five, that way I owe you five and you owe me five and we're all even."

From where I'm sittin' people can even fool themselves with that kind of thinkin'. That's the way I see it when I hear talk about passin' a law that makes me give up the pleasure of a glass of beer and the other fellow give up nothin'. It sounds a little bit like "heads I win, tails you lose!"

Joe Marsh

FORD TRUCKS which led the industry in retail sales for 1957 will offer in 1958 the widest coverage of any manufacturer in the volume truck market. The wide range of utility and work capacity is demonstrated by the powerful tilt-cab (left), and the spectacularly successful Styleside pickup. Mechanical and design advances include new grilles and safety dual headlights, customized interiors and modern styling, and increased horsepower and payload capacity in many models.

Advancements In New Fords Shown

DEARBORN, MICH. — Ford, which led the industry in retail truck sales during its 1957 model year, announces significant product advancements in engineering, styling and design for its 1958 trucks.

The new 1958 trucks are on display at Ford dealerships throughout the country.

J. O. Wright, Ford Motor Company vice president and Ford Division general manager, described the new line as "another step forward in our policy of accelerating mechanical and styling changes for the benefit of the nation's truck buyers."

"We are completing a sales year that has achieved our greatest share of the commercial market in Division history," he said, "and we are betting millions of dollars on the new line developed for the truck user in 1958."

For truck retail sales to business firms and individual buyers topped the industry during the 1957 model year, reaching a 33.1 per cent share of this market through July on the basis of official registration figures. It also represents the biggest share of the retail market ever gained by the Division.

New, safety vision, dual headlights are standard on all Ford conventional and tilt-cab trucks. The new lights, which give much more road illumination at night, are integrated in a simply styled cross-hatch grille. They give the truck an uncluttered, functional appearance.

Headed by the spectacularly successful Styleside pickup, which accounted for more than 85 per cent of the company's 1957 half-ton truck production, Ford is offering more than 300 models ranging from the versatile Ranchero, through light, medium, heavy, extra heavy and tandem trucks.

Maybe She'll Get In Citrus Habit

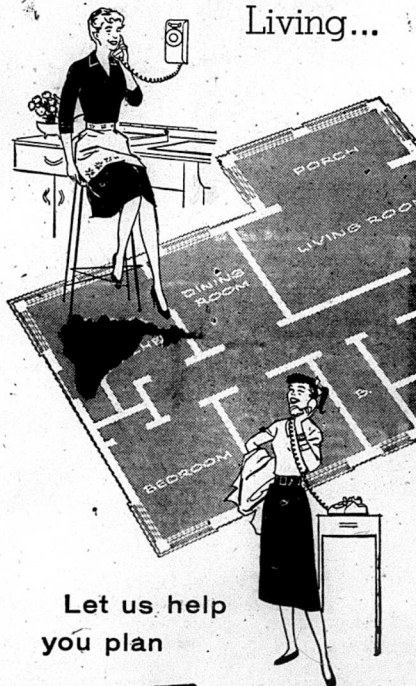

LAKELAND — Queen Elizabeth of Great Britain has an aversion for grapefruit, but will have every opportunity to change her mind, according to the Florida Citrus Commission.

A former royal chef has been quoted by London sources as saying the Queen doesn't like grapefruit.

"Obviously the Queen does not mean Florida grapefruit since her government has placed restrictions on importation of our fresh and canned grapefruit during the past 10 years," said Homer E. Hooks, general manager of the Citrus Commission. "She must dislike grapefruit in some other producing country."

Mr. and Mrs. Frank M. Shaughnessy are enjoying a vacation plane trip to Hollywood, Calif., by the way of Chicago, Ill. The expense-free trip was an award from International Harvester to Mr. Shaughnessy who is distributor for the company in the Glades area.

Several extra phones, in color, cost less additional each month than your main telephone! Only one installation charge.

Southern Bell

Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

The U. S. Government does not pay for this advertising. The Treasury Department thanks for their patriotic donation, the Advertising Council and

The home of Mrs. Ellis Murphy in Pahokee was the scene Saturday afternoon of a party and stork shower in compliment to Mrs. Faris Kincaid.

Mr. and Mrs. Walter Case of Delray Beach were guests of Mr. and Mrs. Robert J. Schroder and Mrs. Helen Schroder in Pahokee.

E. O. Murphy and Mr. and Mrs. Wilbur Pinder of Miami, accompanied by Mr. and Mrs. Charles Kennen and daughter, Anita, and son and daughter-in-law, Mr. and Mrs. Neal Kennen and son, Billy, of Greenacres, were guests of Mr. Murphy's sons, O. M. and Ellis Murphy, and families in Pahokee over the weekend.

Mr. and Mrs. William S. Plummer have as a guest her mother from Michigan.

Mr. and Mrs. George Ramey visited Mr. and Mrs. Mitchell Sharpe and daughter, Helen, in West Palm Beach Saturday.

Beaurie Russell of Orlando was a business visitor in the Glades area this week.

Mrs. Bill Easterly and her sister, Mrs. Gladys Demetreu, of Fort Myers left Wednesday evening for Moultrie, Ga., to attend funeral services held there this week for their aunt, Mrs. Nora Hart.

Mr. and Mrs. C. E. Williams have as guest this week her parents, Mr. and Mrs. O. O. Gilbert, former Pahokee residents now living in Georgia.

Record Catches In Commercial Fish Industry In 1956

Commercial fishermen operating in salt waters off Florida brought in a catch of 210,524,000 pounds of fish which sold at the docks for \$30,196,000 last year.

This "take" from the seas was above 1955 by 21 per cent in volume and 18 per cent in sales. However, a comparison with the average of the past five years shows smaller gains for last year, a 4 per cent increase in pounds and 16 per cent in sales.

Research in the various phases of the commercial fishing industry, now being conducted by the University of Miami's Marine Laboratory and by state universities, should contribute strongly to better utilization of this important Florida resource, the Florida State Chamber of Commerce said yesterday.

Comparisons of last year's catch with the five-year average outlined in this week's business review of the State Chamber's research

and industrial division show that all types of fish did not share equally in the gains reflected by the totals.

Food fish caught last year amounted to 70,233,000 pounds which sold for \$7,818,000, a gain of 3 per cent in volume and a loss of 10 per cent in value. Menhaden and other non-food fish totaled 69,088,000 pounds worth \$584,000 down 6 per cent in volume and 19 per cent in value.

Shrimp, crabs, lobster and related items amounted to 71,173,000 pounds, a 15 per cent gain, worth \$21,557,000, or 32 per cent more than the average. The sponge crop, slowly returning after disease virtually wiped out the beds, brought \$242,000 for about 30,000 pounds last year.

NEW WORTHY ADVISOR

Gwen Bracewell, new worthy advisor of the Pahokee Assembly, Order of Rainbow for Girls, presided for the first time at a meeting in the Masonic Hall last week. The group made plans to sponsor a concessions booth at the PTA Halloween Carnival on Lair Field the night of Oct. 31.

CLASSIFIED ADS PAY BIG DIVIDENDS

PRESIDES AT MEET

Brenda Kaye Unwin, new president of the Intermediate Girls Auxiliary at the Pahokee First Baptist Church, presided at a GA meeting at the home of Mrs. Ralph Grimes, who, together with Mrs. E. B. Gamble, serves as co-counselor for the group. Other new officers are Olga Sheffield, vice president; Betty Ray Gills, secretary; Myra Jones, treasurer; Linda Hand program chairman; Janet Upthegrove, social chairman, and Yvonne Thompson, community missions chairman.

The Palm Beach County Board of Public Instruction will open bids for the construction of the new gymnasium on the Pahokee High School campus on Friday, Nov. 8, according to Henry O. Earwood, board chairman.

Workmen are busy this week hauling in 1600 yards of St. Lucie sand to put on the newly acquired athletic field in Pahokee on Larriamore Road. The sand will be leveled and disced into the muck after which grass will be planted. It is hoped that the new field will be ready for the first home game next fall.

Heating — Air Conditioning — Appliances

Cook the modern way! Remember...

WIRE beats FIRE!

Here's why **ELECTRIC COOKING** beats all other methods:

CLEANEST—No soot to soil curtains, walls, pots and pans... housekeeping is easier.

COOLEST—Half as many heat units are required to do the job. Your kitchen stays cooler, you save on air conditioning—get greater comfort from smaller units at lower installation and operating costs.

SAFEST—No open flames, no fumes, no pilot lights... safe as electric lights.

FASTEST—New super-speed surface units and electronic ovens cook foods in record time.

CHEAPEST—It's cheaper to go all-electric than to use a combination of fuels in your kitchen-laundry.

LIVE BETTER, ELECTRICALLY... see your appliance dealer today!

FLORIDA POWER & LIGHT COMPANY

a castle in the air costs nothing
—but you can't live in it!

**Make your dream house come true! It's easy
—through Payroll Savings!**

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.29!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

If you want your interest at current income, call your bank about Series H Bonds, which pay dividends annually by Treasury check.

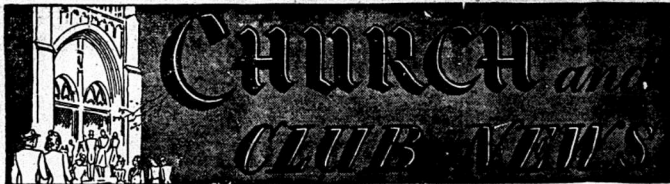

Choose your own savings goal

	If you want approximately		
	\$5,000	\$10,000	\$25,000
Each week for 9 years and 8 months, save.....	\$8.20	\$16.75	\$40.00
Each week for 19 years and 8 months, save.....	\$8.75	\$17.50	\$100.75

This chart shows only a few typical examples of savings goals and the weekly dollar amounts that must be saved. Remember, you can save any amount you wish. For more information, write to the U. S. Treasury Department, Bureau of Public Debt, Washington, D. C.

Christian Science Group Of Canal Point

Man's responsibility for spiritual growth and progress will be brought out in the Lesson-Sermon entitled "Probation after Death" at Christian Science services Sunday.

Scriptural selections to be read include the following (Philippians 3:13-15): "Brethren, I count not myself to have apprehended; but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus. Let us therefore, as many as are perfect, be thus minded: and if in any thing ye be otherwise minded, God shall reveal even this unto you."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (201:12-13): "Universal salvation rests on progression and probation, and is unattainable without them."

The Golden Text is from James (1:12): "Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him."

Simonsen Circle In Regular Meet

Members of the Mabel Simonsen Circle, First Methodist WSCS, at a meeting at the home of Mrs. J. V. Thomas Monday afternoon voted to sponsor a fund raising project, proceeds to be used for the purchase of furnishings for the social hall now nearing completion in the new educational building.

Mrs. Robert C. Hatton, chairman, named Mrs. Frank Friend and Mrs. Robert J. Schroder on a committee to make plans for the circle's annual Christmas party and program.

The group's study of the book, "Paul's Letters to the Churches," was completed at the meeting, with Mrs. Claud Morgan in charge. Mrs. M. P. Holman presented as the devotionals, "The Challenge of the Local Church."

Mrs. C. A. Major was welcomed as a new member and Mrs. L. W. Dufresne was introduced as a guest.

Rupert Mock, Jr., has pledged to the Phi Kappa Phi Fraternity at Florida State University and his sister, Jeanine Mock, is pledged to the Delta Gamma Sorority at the University of Florida.

Orlando Has New Tourist Fountain

ORLANDO—A gala celebration in Orlando recently marked the official dedication of Florida's newest attraction, the Orlando Centennial Fountain.

The celebration, saluting this Central Florida city's 100th anniversary, took place in Lake Eola park. And the climax to a week of events was the turning on of the giant illuminated fountain in Lake Eola in the heart of the downtown area.

Sixty feet in diameter, the fountain towers 18 feet above the center of the large lake. Seven fountains are evenly spaced around the lower basin featuring a plexiglass rim with concealed lights.

The Centennial Fountain, which can be seen from 10 miles in the air, has already become one of the city's most valuable tourist assets and chamber of commerce officials say it is another basis for supporting Orlando's claim to the name, "City Beautiful."

Jimmy Schoepel, who graduated from Marion Institute in June, has enrolled in the Dental College at Emory University, Atlanta, Ga.

Style, Power Mark 1958 Chevrolet Trucks

Fresh styling, more power, and many chassis improvements mark the 1958 Chevrolet truck line. This Low Cab Forward heavy-duty model has a new 348-cu.-in. 230-horsepower engine designed for durability with sodium-cooled valves, heavy bearings, and other heavy service features. Combustion chamber is wholly within the cylinder bore. All 1958 Chevrolet trucks have dual headlamps and redesigned grille, hood, and fenders.

Presbyterians To Conduct Revival

Dr. Jack G. Hand, Former Moderator, Synod of Georgia, Presbyterian Church, U. S., will conduct a series of services at the Everglades Presbyterian Church, beginning Sunday Morning at 11:00 A. M. November 3 and continuing each evening through November 8th. Dr. Hand will also be heard each morning throughout the week over WSWN local radio station. This outstanding preacher is currently pastor of the First Presbyterian Church, North Carolina and Columbia Theological Seminary, Decatur, Georgia.

Dr. Hand took special work at Princeton Theological Seminary, Princeton, N. J., and Union Theological Seminary, New York. He was chairman of the Nominating Committee of the Synod of Georgia and also Chairman of the Commission on the Minister and His work in the Southwest Georgia Presbytery. He has held pastorates in Alabama and Georgia and is a former pastor of the Inman Park Presbyterian Church, Atlanta, Ga., the First Presbyterian Church, Albany, Georgia and was called to the First Church in Jacksonville in April 1953.

During the week's special services, special music will be presented among which will be the Choir of the First Baptist Church, in Belle Glade participating. All are invited to hear this outstanding minister.

ATTEND COOP MEET

Among those from the Glades who attended the meeting of directors of the Florida Council of Farmers Cooperatives at Winter Haven last week were Jess M. Elliott, Inman W. Weeks, John A. Dulany, I. L. Price and Frank Dooley.

Needs Are Cited In PWC Meeting

Mrs. Frank Friend presented a program on "Legislation" at the program luncheon meeting of the Pahokee Woman's Club held at the clubhouse on Wednesday. In her talk Mrs. Friend suggested that club members write their congressmen in protest against the reciprocal trade agreements with Latin-American countries which permits vegetables from these countries to be shipped into the United States and sold at prices lower than the actual cost of growing the same vegetables in South Florida.

The speaker commended the State Federation of Woman's Club's for its backing of a proposed bill in the State Legislature to clean up news stands of obscene magazines and books. She also spoke about the proposed amendments to the State constitution which will be voted on in 1958 and the integration problem. It was her suggestion that Rep. Paul Rogers be invited to speak on the current legislative program at a combined meeting of local civic clubs.

At an executive board meeting held prior to the luncheon it was voted to change the club's bylaws in order to automatically make the first vice president the club's program chairman and the second vice president, scholarship chairman, upon installation.

It was also voted to hold a work day at the clubhouse on Wednesday, Nov. 13, starting at 8:30 a. m. members to bring sandwiches for luncheon, the \$1.25 luncheon charge to go into the fund being raised to purchase new drapes for the clubhouse.

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,860.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$30,000.

Now even better! Invest more in Savings Bonds!

4 Elks Bagged On Wyoming Trip

Glades hunters who went to Wyoming to stalk elk, moose, etc., etc., are home and report an excellent trip. Making the trip were: Rupert Mock, Thadd Whidden, W. R. Wilson, Billy Rogers, Joe Tom Boynton, Dr. E. J. Graham and Lewis Friend.

Dr. Graham, Roscell Wilson, Joe Tom Boynton and Billy Rogers were the most fortunate of the group and they each bagged an elk. Some of the meat is being shipped to Pahokee from that far western country.

One of the group said that their hunting was done at 8400 feet above sea level where the rarified air called for a little time out every now and then to replenish the lungs' supply of oxygen.

Okeechobee Next

(continued from page 1)

Pahokee scored in the first quarter when Shackford booted a punt out of bounds in the "coffin corner" on the Lake Worth four-yard line. When the Trojans attempted to punt out of danger from the four a bad pass from center caused the ball to be grounded in the end zone for the safety.

In the second quarter Shackford again put the Trojans on the spot when he punted out on the Lake Worth eight-yard line. In the next play Johnny Voemans recovered a Trojan fumble, then Shackford passed to End Alvy Early who caught the ball in the end zone but the TD was nullified by a backfield in motion penalty against the Blue Devils. The Trojans then intercepted one of Shackford's passes to end Pahokee's second quarter scoring threat.

Since Lake Worth defeated the Palm Beach Wildcats a week ago last Friday the Blue Devils, who have won from Lake Worth and Seacrest, will have a clear claim to the mythical Palm Beach County championship if they are able to defeat the Belle Glade Golden Rams as they wind up their schedule on Thanksgiving Eve at Belle Glade.

St. Lucie Locks Are—

(continued from page 1)

continued above normal until recent weeks. The Caloosahatchee River has been regulated at full discharge since May except when reductions were necessary following several periods of particularly heavy rainfall on its own tributary area. St. Lucie Canal was opened to discharge on May 17 and continued at partial capacity until June 21 when it was cut off following a short break in the rainfall pattern. The return of heavy rainfall required resumption of St. Lucie Canal discharges in mid-August. Starting with 2000 cubic feet a second, releases had to be increased as the rains continued, until 6800 cubic feet a second flow was reached on September 9. Flow has continued at about that rate until the complete cut-off was made today.

Army Engineers, in charge of lake regulation, also stated that Caloosahatchee River discharge can probably be reduced during the coming week. If normal rainfall conditions continue, complete cut-off can be expected by about November first.

The Engineers emphasized that discharge cessation for both St. Lucie Canal and Caloosahatchee River is based on future normal or below normal rainfall. If heavy rains occur in the next few weeks, however, it may be necessary to resume regulatory flow by way of either or both outlets.

House To House For Needy Kiddies

Members of the Canal Point Methodist Youth Fellowship will conduct a "trick or treat" fund-raising visitation of homes in the Canal Point area on Thursday night, Oct. 31, following the PTA Halloween party for the children of the community at the school, for the benefit of the United Nations Children's Fund.

The "trick or treat" visitations at Halloween time to help underprivileged children throughout the world was started by American youth in 1950 but this is the first year this worthy project has been sponsored by a youth group in this community, according to Mr. and Mrs. W. E. Blackwell, counselors for the Canal Point MYF.

Each dollar collected for the benefit of the needy children of the world by the MYF and other youth groups is being matched by two dollars from the United Nations. A house-to-house canvass will be made by the MYF members and the public is asked to cooperate.

Mr. and Mrs. William S. Plummer and Mr. and Mrs. Leon Spooner attended an Elks meeting in Fort Myers last week.

Mrs. Jones Speaks To Garden Club

Mrs. Luther Jones of Belle Glade was guest speaker at the October meeting of the Canal Point Garden Club held last week at the home of Mrs. W. S. Evans, Cypress Lodge, Port Mayaca. The speaker described and demonstrated the planting of annuals. Mrs. O. H. Chastain, president, presided at the business session.

Mrs. H. B. Cross returned to her home at Bryant Wednesday p. m. after receiving a fall in her home and being carried to Good Samaritan Hospital Tuesday night. She was cut on back of head but able to return home.

BPWC PROGRAM

A program on "Equal Rights for Women in Business" was presented by Mrs. Elsie Sims, legislation chairman, at a program dinner meeting of the Pahokee Business and Professional Woman's Club at the home of Mrs. Betty Dinms. She was assisted by Mrs. Pat Bosworth and Miss Jane Plumer. Sara Norris, Pahokee High School Senior, was introduced as a student representative of the club.

REV. STEWART SPEAKS

The Rev. Charles D. Stewart, pastor of the Canal Point Baptist Church, was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club. Introduced by Dr. R. C. Lane, program chairman, he spoke on the importance of the United Nations organization in the keeping of world peace. President J. H. Wilkinson, Jr., presided at the business session.
